To the Commissioner For Patents,

This is in reference to Patent Application Number: 10/081,932, Filing Date: 02/20/2002, Name of Applicant: Jeffery Scott Ward, Title of Invention: Camera Mount.

I have been in contact with Mrs. Ivy at the Initial Patent Examination Division since I received this notice dated 04/02/2002. Mrs. Ivy instructed me to have the postal money order traced, then send a copy of the stub for the \$370.00 postal money order #03895470156, I sent with my patent application, a copy of the trace for that postal money order, and the copy of the Notice To File Missing Parts Of Nonprovisional Application I was to send with the requested payment. I have done as instructed.

On 04/27/2002 I received a replacement money order from the United States Postal Service #9905063084, in the amount of \$370.00. The previous postal money order #03895470156 has been cancelled and not cashed to date.

Today 4/29/2002, I spoke to Mr. Douglas in the Finance Department and was instructed to do the following: exchange this postal money order and pay the difference in cost for another in the amount of \$435.00, for the \$370.00 basic statutory filing fee plus the \$65.00 late filing fee, then enclosed this postal money order, a copy of the previous postal money order stub and trace for it, a copy of the Notice To File Missing Parts Of Nonprovisional Application, and this note of explanation in an envelope addressed to the Commissioner For Patents.

Mr. Douglas also informed me that in the event of the first missing postal money order being attempted to cash, I may be charged a \$50.00 fee for nonsufficient funds. Mr. Douglas informed me, this would prove that I had sent the postal money order with the application and I should then be reimbursed in the total amount, for extra fees I have been charged.

Thank you, with my regards,

Jeffery Scott Ward
